## About

The one and only show about apartment redesigning. It's not just a show, it's a real adventure! All means are fair in redesigning, as well as in love! The host of the show Elena Valushkina and the best interior designers prove: a rented apartment is not a sentence to comfort and convenience. They have just two weeks and 150 000 to turn "granny's" apartments into up-to-date and comfortable places to live in. What makes the show "For Rent! Refurbished!" stand out against other shows devoted to interior redesigning? First, it has an unparalleled format. Those who have ever happened to rent a flat, know what such places look like: a rug on the wall, a Soviet cupboard and peeling plaster. "For Rent! Refurbished!" is the first show on Russian TV, which redesigns rented apartments! Second, it has a charming host. The one and only Elena Valushkina has made lots of landlords change their hearts and agree to continue and finish redesigning their apartments. Her charm works 100%, while her sense of humour helps her ...

## About

The participants of the show “Dream House” have a chance to change the surrounding space and fulfill their dreams. The heroes of the program are people who need to change their homes with the assistance of a charming host Rita Chelmakova and a professional team. Their task is a hard egg to crack: they have to change the function of the premises and turn it into a beautiful and comfortable place to live. The trick of the show “A Dream House” is that the professional designers don’t reconstruct the premises. They just buy new furniture, rearrange it and use décor elements to redesign it. The aim of the show is to demonstrate that you can have your “Dream House” even with a shoestring budget and big plans.

# VICTIMLESS HOUSE 16+

## About

Every man wants to have such a place in the world, where he would feel comfortable and relaxed. That's why we are happy to come back home after a long trip or a visit to our friends. Everything in the place should give pleasure and comfort and fill with energy. Our home is the place of power! The show "Victimless House" is designed to help your house give you what you want! But sometimes it is so hard to get even simple things. People often redesign their apartments, hoping to start a new life in a pretty and clean place, when they finish. As a result, they get bad quality materials, irresponsible workers and legal actions with repair companies... If you buy a cottage, you want to know how to choose a place safe for health and how to escape being cheated. Landscape design, boiler rooms, artesian wells, land and property taxes - these are just a few of the most expensive budget items, but even they can leave you penniless. How to save money? How to keep quality but pay less? How to choose furniture? How to avoid turn ...

## About

Passions may run high not only among people and not just for love, but for decor! In the course of almost 5 years Marat Ka, the brilliant designer and decorator, has been proving it in his program "Decor Passions". Decor Passions is a mix of ideas designed to add colours, vibration and fabulousness to any bleak interior. Candleholders made of clay pots, painted glass, extraordinary tables and marble chairs - you can make all these things with your own hands due to Marat Ka's lessons. All you will need is a little effort and cheap materials. His show has served as a magic wand for many people decorating their homes or redecorating old things, which seemed useless. Delighted audience are amazed to see how the genius Marat Ka turns a simple chair into a throne or a clock, a collection of classic writers - into a lamp, an old overshoe or an ordinary soccer ball - into a luxury candleholder. You can't take your eyes off, when Marat Ka creates with his hands a Christmas tree from hangers, fancy candles, a rocking horse ...
