About

The plot of series transfers viewers to Moscow in the near future. Now it is not a common city of Moscow, which never sleeps, but the city, captured by a deadly epidemic, declared a “closed zone” and under control of “Vershina” corporation forces. In an attempt to create a new race of super-people, the powerful “Vershina” corporation creates a virus which is meant to be tested in public. However, container gets damaged while transporting, and the virus breaks free. At the same time eleven young people recover consciousness in a mysterious underground bunker. They don't know, that they were chosen as laboratory rats, and that mass epidemic outside bunker spreads through the city affecting people and turning them into terrible monsters...
