About

How stars litigate What goods have better quality? What clinic is to choose? What is the better place for a vacation? Where to buy clothes? Where to buy property? Where to have dinner? These everyday questions are always relevant. Each of us happened to redesign one's apartment, have one's teeth attended to, buy a car or visit a beauty doctor. But it's always curious to find out, how stars solve these simple and common issues! The documentary project "Star Territory" will show the silver lining of Russian show business stars' lives. As practice shows, stars are the same people as we are; they face the same problems and cares and often make the same consumer mistakes.
