Emotions engulf you, while thousands of questions pop in your head: how to behave during your pregnancy, when and how to choose a maternity clinic, should you make a contract with it? No panic! The participants of “Pregnant” reality-show will share details of their pregnancies and tell you how to overcome all arising difficulties. About

BEAUTY STANDARDS Women want to be pretty in all countries and at all times. Admit it: it's always pleasant to look at a pretty girl. When a girl is pretty, she feels more confident: men want her, admire her, dedicate their poems to her, move mountains and go to the world's end to fight dragons and find new continents for her. Though beauty standards changed with years, their basic principle is still the same. However, why do we hear an expression "beauty victim" more and more often today? Why does the number of girls, who have plastic surgeries and drive themselves to anorexia, is increasing? Why do sociologists claim that the main reason of modern girls' low self-esteem is linked to their looks? Why does beauty bring no joy today, but huge problems and nervous breakdowns? And what is beauty today?
