Karen Magikyan is almost 50 years old. He is the head of his family and the father to three daughters. He is at the age when people don't change. He represents the vanishing breed of people who have never talked on Skype, and to whom mail is a written piece of paper in an envelope, but most importantly they do not cave in to the changing world because 'it's how they do it now' or 'you live in the XXI century'.
