## About

A City Trip will compare lifestyles, households, cuisine, architecture and residents of global capitals. Pavel Lubimtsev will visit London and Paris, where he will talk to the regulars of pubs where Londoners spend most part of their time, tell you why beer failed to get popular in Paris's brasseries, why the French cuisine is called elite, while the London one is innovative. You will also learn which district of the British capital is the place to meet Rolling Stones, which street used to locate Picasso's studio. In addition, the show will tell you about fashion, big shopping centers and legendary Paris and London couturiers.
