About

“Details. Modern Times” is a weekly magazine TV program about outstanding people and important events in the country and abroad. They merit public attention, influence people’s lives and definitely make it into the history books. Breathtaking and exclusive reports, hot news, portraits against a backdrop of history, noble essays and talks in the studio – the project will show details from various angles. “We don’t want to cite the Internet, we want the Internet to cite us,”-says Artur Valeyev, a journalist and the head of the program.
