About

An entertaining reality show where girls “try on” purely male professions. They are confident that male work only looks hard and difficult, but the frail sex will easily tide over the business. The hosts of the show – Katya from Cheboksary and Stasya from Volgograd – have already realized that they can drill not only their men and make not only tasty cakes but real steel. The girls will try on “the uniforms” of pilots, high riggers, plumbers, crane operators and even make rough and noisy motorcycles with their own hands. A bunch of hard and exciting professions which “amuse” the representatives of the stronger sex lie ahead of them. That is not as simple as unloading wagons!
