About

It is easy to help people in need. You just shouldn't walk on by. "A Good Deed" is a program about ordinary people, everyday heroes, who didn't walk on by, didn't close their eyes on other people's grief and did a good deed. Their acts of heroism gave people in trouble the second chance. Alexey Kortnev, the host of the program, tells us about the heroes, who have done good deeds, and thanks them sincerely on behalf of the audience and rescued people. "A Good Deed" will make you believe, that altruism still exists. Perhaps, right at the moment somebody is in danger, but, fortunately, there are people ready to help and do a good deed! The feats of these modest heroes shouldn't stay in the background. Each good deed should be praised. The country should know its heroes!

About

An entertaining reality show where girls “try on” purely male professions. They are confident that male work only looks hard and difficult, but the frail sex will easily tide over the business. The hosts of the show – Katya from Cheboksary and Stasya from Volgograd – have already realized that they can drill not only their men and make not only tasty cakes but real steel. The girls will try on “the uniforms” of pilots, high riggers, plumbers, crane operators and even make rough and noisy motorcycles with their own hands. A bunch of hard and exciting professions which “amuse” the representatives of the stronger sex lie ahead of them. That is not as simple as unloading wagons!
