About

Be ready to feel shocked! Can you stay alive after you have fallen from a height of 160 meters? Do you have a chance to survive if you have been pressed down by a multitoned car? Do you have a chance to save your life after you have been hit by an extreme electric discharge? "On the Brink" shows those who were strong enough to fight and survive being on the brink of death. All the videos in this extreme show are based on real events. They prove that human body can break the laws of physics and biology, while your brain can work at extreme speed!
