About

Businesspeople, politicians, psychologists, doctors, actors... No one in the world is immune to failure. Fate can often be unjust, but that the key point of people's existence is to fall and rise no matter what. The show "I Will Survive" shares the stories of women, who faced things we can hardly imagine: doctors' hopeless diagnoses, children's deaths, lovers' cheating, friends' betrayals... When they could bear no more and thought that suicide was the only way out, they still found strength to fight. "I Will Survive!" was the phrase that saved them and became their motto. Now they want to prove to everyone that there is light even at the end of the longest tunnel. But, it's important not to lose your way. Hear inspiring stories of people who rose above the circumstances! They are eager to share the stories of their incredible fortunes and their universal clues to survival with the audience: "Miracle is possible. You just need to grab it!"
