About

Children's cartoon series. Alice Selezneva is the icon for a few generations, who have grown up with the film "A Guest from the Future" based on Kir Bulychev's equally beloved sci-fi story. Besides, there was an immensely popular cartoon "The Secret of the Third Planet" in the Soviet times, where the main character was also Alice. Today children don't know this iconic character that well, but, fortunately, animators decided to improve the situation and made modern exciting cartoon series "Alice knows what to do!" This project is the sequel of the adventures of Alice Selezneva, a Moscow schoolgirl from the future. Alice is a twelve-year-old girl, the daughter of the outstanding professor, who would have been killed during the intergalactic scientific congress in Pluton, but for Alice and her friend Arik, the grandson of a Nobel prize winner. Alice's mother is an architect, a businesswoman, who constantly flies to other planets on business. Moreover, the Seleznevs have robot Polyva, who does housework, and a three ...
