Train hostess does not only take care of the passengers by bringing them bed linen and tea on the train. She often acts as a therapist helping passengers who confide in her deal with their issues. Love triangles, adultery and family secrets - sometimes spilling it all out to a stranger on a train is so much easier than talking to a close friend or relative because you are unlikely to see that person ever again. ## About

One would think that after the Youth National Team had won the Tournament of the Four, everything was fine. But you cannot always win in the big sports! For example, Makeyev had some fails in his working with the national team and he got fired. His adversary has taken his place and now is building a brand new national team, recruiting players from the Bears too. The club loses its best players just before a MHL tournament and that means that the team has to be rebuilt from scratch. In new episodes the hockey players will rebuild the Bears team and build relations with family, friends and new teammates. No need to say that it will be not easy at all when stakes are high and you fight for your place in the dream team and for your love.
