About

The show goes on a quest to find out – is it true that parallel universes never cross paths or on the contrary do opposites really attract? Participants of this new dating show are not just people looking for love, but they come from different backgrounds and represent different cultures. In each episode women who stand out of the crowd with their looks and lifestyle, will meet with three unusual contenders. They are all unlike, but that doesn't mean they can't find someone to be happy with.
