About

Are you sure that you control your life? Who guarantees, that only your will determines your actions, rather than someone holding a joystick and pressing buttons for fun? What can be more exciting than controlling another person's life, especially if the later knows nothing of it? One day Alexey Korin, an ex-sportsman, learns that he can't control his own life, because he and his friends are controlled by some mysterious "gamers". That pain and death he sees is just their meticulously planned game. "Gamers" manipulate "puppets". When performing a task, a "puppet" can get hurt and even die. That is why "puppets" are found among sports young men, thrill-seekers, for whom risk is usual practice. They are the representatives of youth subcultures: traceurs, streetracers, fencers, various marcial arts masters. An enigmatic Producer rules the game. Only he knows the scenario of the next game. But now, when the truth is out, so called "puppets" have a chance to take the lives of "gamers" under control.

About

The series is a sequel to the movies "On Game" and "On Game - 2. New level". Mysterious forces need the perfect soldiers again, but only Doc is ready to fight and recruits a new team. To band others together against Doc seems to be a necessary but insolvable problem. Vampire and Rita are in jail while Yan and Komar are in hiding. And they are the only ones, who are able to prevent crimes against peace and humanity of power structures. All of them quest for personal gain, but share in the common cause - they won't stop at nothing to achieve their goals. Some will do their best for the sake of death and destruction, others for the sake of life and happiness, which still remain possible.
