About

Zhenya and Slava have known each other their whole lives, they've been married for over a decade and know everything about each other. They're so used to being in a relationship that for a while now they have not bothered to reflect on how happy they are in it. The questions pops up after Slava unexpectedly cheats on his wife. After they split up, the couple try to understand how it had come to this and whether their marriage can be saved. Domashniy keeps exploring the most pressing matters in a relationship. Does love have an expiration date? Why do people feel alone even when they're with someone and does it make sense to stay together if you're not happy?
