About

The main character - successful business woman Natasha - has been the long-term love of Mikhail. She does not feel the same about him, but rather she treats him like a friend. It's been going on her many years. That is why when Natasha meets handsome and talented Leonid, she falls head over heels for him. By giving all of her love to this man, she betrays Mikhail. To explain herself, Natasha thinks that she also has the right to love and be happy. But the thing is that soon she realizes that Leonid betrayed her. He just used her. He was only interested in her business. Love turns into hate and hate turns into love. Will the main characters manage to handle their feelings?
