About

This reality travel show is about a round-the-world trip of Anna Sedokova with her children. Each episode captures two days in the family's life in a new country and serves as a guide of sorts for parents who plan to travel with their children. Anna's family and their audience will learn how to get to a city from its airport with ease, which hotel to choose, where to find delicious food and suitable meals for children, and where to go out with children and without them. At the same time, we will see the life of Anna and her children, with each new episode picking up where the previous one has ended. The family has its own traditions, hobbies and features, which the audience will get to see. Anna, who considers herself a quite picky mother, wraps up each episode by assessing the level of comfort in the respective country based on what she and her children liked and

About

A new travel-show declares war on the tourist stereotypes, dispels myths about resting abroad and offers the only original routes for travelling! The hosts become your personal guides – they check by own experience all local beauties listed in the guides and websites. At the same time they explore new places and show lots of possible ways to use imagination and save money. And the most important – they'll teach you how to make your journey fantastic, create unforgettable memories and get photos, your friends will envy for. On the second season the audience helps the hosts choose sightseeing and local entertainment to try. Katya and Leonid Morgunovs are going to snowboard down a volcano, take Kung Fu lessons from a Hollywood master and even taste a snake. Each episode the experienced travelers will have to do 3 tasks, including the ones chosen by the audience: two for each host and one for the both. The first season they travelled across Europe; this time they are exploring South-East Asia (Bangkok, Phn

About

PEOPLE AND TRADITIONS Since olden times people tried to learn the surrounding world, their destinies and the ways to control them. But the traditional sciences didn't always give answers to all the posed questions; so people turned to alternative sources of knowledge: astrology, numerology, feng shui and other teachings. The host of the show Ace will tell you about the ancient ways of fortune-telling, talismans, the magic power of numbers and stones, plants and animals and many other exotic teachings and traditions of the world's nations.

About

The next question following : Where did you spend your vacation? is: What did you taste there? And your friend starts with a picturesque description of local specialty which he or she happened to taste there. National cuisine and traditions can tell you a lot about local people and their life style. For example, do you know why the Japanese cuisine uses wasabi and soy-bean sauce so often? Why do Tai people add hot spices to all their dishes? Why do Asian people drink green tea? Travelers ask loads of why questions, and answers to them are always closely linked to climate, culture, people s customs and ancient legends. The hosts of the show and well-known people will tell you not only about the cuisine traditions of various nations, they will also teach you how to cook local

About

PEOPLE AROUND THE GLOBE «Look at the people of our city, they have an imprint of peculiarity.», said the famous Russian writer Alexander Griboyedov in his play *Woe from Wit* almost 200 years ago. In fact, there is some thing that unites the residents of the same city or the same region. This thing makes them stand out among other people around the globe. For example, Moscovites are always in a hurry, while Englishmen are usually composed and lofty, retirees in Tokyo often ride bicycles, New York residents smile all the time, and Siberians are traditionally gloomy. Why so? This cycle is mostly focused on people from different countries and regions. It describes the national characters, the peculiarities of lifestyles and the mentality of people from across the globe. However, it won't leave aside sightseeings, natural beauties, culinary secrets, national traditions and holidays. This programme will give tourist some tips how to avoid embarrassing situations and take current events in the right
