About

The Kremlin Cadets is hard to name an individual series. It is a worthy continuation of Cadets loved by millions of people. The series is easy to watch and full of dynamics, but far from shallow and mediocre! Usually as they say, a sequel is always worse than an original, but in this case it is much more complex. Cadets is a kind comedy designed mostly for teenagers, while The Kremlin Cadets raises the problems and shows the relationships of almost grown-up experienced people. That is why it's more interesting to watch the main characters' life journeys.

Time ew by, the study in the Suvorov Military School came to an end, and the young Suvorov friends' paths diverged. But out of the blue, the three old friends meet each other at the entering exams to the Moscow Higher Military Command College. The boys are applying to the college along with yesterday's schoolboys and young men who have already returned from the Army. A great surprise expects three young friends, as thei

About

The Army's toughening sets you up in life! . Long since the XIII century, the Cadet Military Schools graduates became honourable officers, national elite, the defenders of their Fatherland, the support and pride of the upper-class society. These schools are elite institutions; it has always been honourable but extremely hard to study there. By a twist of fate, fourteen-year-old boys get into the Suvorov Military School: some of them follow family traditions, others achieve their high ideals; there are even some boys who get there against their will . After fellows have been admitted to the Suvorov Military School, they fail to realize at first the total load and, most important, the responsibility, which will have a great impact on their future lives. Gradually the students learn the unspoken laws of honour, the depth and continuity of the tradition. They live like one family and mature hardening their will and character. Each of them has his own destiny, cherished dream, first love . Their friends and fam

About

The League of Nations «The League of Nations» is a comic show. It is a kind of competition where participants prove their supremacy by word, humor and improvisation, while staying a friendly and multinational league. The show brings together people, who love jokes and know how to make them. There are a few rounds, where the head team plays by turns against the Big Five (five teams-competitors). Rounds can be absolutely different with their vast majority built on improvisation! The audience in the studio evaluate their wit and sense of humor with the help of special scoreboards. The maximum score for a round is 100, counting the number of people in the studio. In addition, each group shares the same profession. For example, the teams' fates are decided by 100 pastry chefs, 100 doctors, 100 locksmiths, 100 musicians, 100 police officers...Every now and then this hundred includes well-known people and mass media persons. They are invited not because they are popular, but because they meet the specified criteria of
