About

Love all ages yield surrender. Love has no age, borders or nationality. Love is endless in all its forms. A touching story of endless love is the keynote of the romantic comedy Without Borders. The main characters' adventures start at one of Moscow airports. A customs officer, who loves football, feels upset with the game of the Russian football team. He holds the team's forward at the passport control. As a result, the football player is late for his flight and has to spend 24 hours at the airport. Simultaneously, a few other storylines unfold all at once. For example, an Armenian musician learns from the woman, he had not seen for 20 years, that he has a son, who will soon fly to Erevan with his girlfriend. A Moscow millionaire's son has a bet with his friend that he will seduce a girl without using his material and social background. There are many other fascinating stories for those who believe in love and want to have a kick of positive emotion.
