About

A LADY WORTH A MILLION When we say a lady worth a million , we recollect Audrey Hepburn, Princess Diane, Jacqueline Kennedy Onassis. Naturally, no one has ever assessed them in terms of money. Perhaps, some of them did have a million, but, first of all, they were LADIES to the tips of their fingers. However, times and standards have changed. Today other beauties compete to win the title. What price do rich women have to pay to become a LADY WORTH A MILLION? They are rich, prosperous and pretty. Glossy magazines love them, all doors open for them. Who are they? What do they think? How do they live? How do they love? You will find the answers in the documentary series A Lady Worth a Million

About

A documentary about Anita Tsoy, the distinguished singer and the host of the Wedding Size show. Anita as a mother and a wife reveals the secret of her family happiness and tells the audience what difficulties she had to overcome for the sake of her love for her husband. Anita is a real fighter. She has gone through and accomplished many things. Very few people know that the delicate and graceful singer Anita Tsoy used to weigh over 100 kilos in the mid 90-s. After she got her baby son, Anita gained 40 kilos for 2 years. This model wife and loving mother weighed 105 kilos at the age of 23, being just 157 tall. The girl really failed to understand why her husband worked late, didn't buy her flowers and court her any more. Her excess weight threatened her family happiness. Once her husband lost his temper and told her a very offensive phrase: Look at yourself in the mirror! It is not the woman I married. At that moment, Anita thought her husband would leave her. Nonetheless, her husband's confession helped A

About

The New Year holiday is the chief holiday of the year. We wait for it eagerly and cook the most delicious meals. Also, it's the time for sharing tips, superstitious beliefs and family traditions, which all are strictly followed even by celebrities. Each New Year the actor Sergey Zhigunov cooks a fish soup with vodka and coal by his grandfather's recipe. The film director Tigran Keosayan makes Armenian barbecue with tomatoes as his great father Edmond taught him. The Krestovsky brothers from Uma2rman band buy loads of beer, grilled chicken and go to Nizhny Novgorod to their parents' cottage to celebrate the holiday together. Alla Pugacheva watches the film Circus starred by Lubov Orlova right after the president's address with congratulations; she has been doing this for many years. Men in her life change, but the tradition stays. The two episodes of this New Year show include the interviews with the singers Valeria, Irina Allegrova, Marina Khlebnikova, the illusionist Amayak Akopyan, the act

About

Sunlight dapples, games in rain, tender mothers and the smell of freshly baked cakes – all these feelings come from our childhood- the most nonchalant, peaceful and happiest time of our lives. Everyone has one's own memories. Psychologists assert, our childhood memories, events and blows we had at that period influence our self-esteem and support us during our whole life. Each of us had bad luck in childhood. The fact how quickly we coped with difficult life situations and overcame them at tender age impacts our further life immensely. We often think that famous people – actors, writers, musicians – enjoyed their fortune since their very first days, that they never saw illnesses or losses. The producers of TV series *Non Star Childhood*, shot as a family documentary, asked well-known people to recollect some dramatic moments of their childhood. The series include interviews with the actor Dmitry Duzhev, the actor Valeriy Zolotukhin, the singer Lyudmila Zykina, the actor Yevgeny Mironov, the gymnast Lyasan U
