About

Collection of Ideas Collections can be useful and useless The Collection of Ideas collects fascinating handicraft ideas. Moreover, it helps you to embody them. Tasha Strogaya, a fashion couture and designer, is an arduous inventor and a craftswoman. She thinks up and collects extraordinary ideas all the time. Tasha teaches you how to sew amazing things and simultaneously shares with you with fashion and star tips. Have you ever thought what your garment impacts on? Tasha Strogaya will recommend you what to wear for a job interview to impress your potential employer. Do you want to look stunning and conquer everyone around with your killer-dress? Tasha Strogaya will tell you how to make a gorgeous extraordinary dress just for 10 minutes. In addition, Tasha Strogaya gives feedback on home decoration and shows how to make it with your own hands. The show also narrates about fashion history and takes the audience to the world's fashion runways. A Collection of Ideas is a practical show for people willing

About

FASHION MAKEOVER SHOW How much time does a woman need to turn into a beauty? Any man who has ever waited for his girlfriend, sitting in front of the mirror, knows the answer: Just ten more minutes . Alexander Rogov, the host of a new reality-show, is ready to bet that he can completely change a girl s image just for 24 hours and not a minute more! Each heroine of the show has a particular goal for the sake of which she is ready to change. It may be a date with an ex- or next boyfriend, an important job interview, a wedding anniversary, a classmates get together or a birthday party. It doesn't matter what event the girl is preparing to, the main thing is that she really wants to change for it. It's enough for the team of top professionals in the fashion and beauty industry to create a killer look for the girl just for

About

True stories of modern Cinderellas: women, who can't and don't know how to choose right clothes and what to do to look pretty and classy. Being classy is almost the same as being fashionable. Let's Get Dressed! is not just the name of the show. It's a call to all TV viewers to take off their old clothes and have a fresh look at themselves; it's a cry for changes and experiments! Katya Dobryakova and Maxim Rapoport, the designers of the project, discuss fashion and style. They are experts in both things but they look differently at the world and people. They are a man and a woman, and their arguments give birth to a pretty, fashionable and happy heroine of the show! But the way to happiness is long and treacherous. First Maxim and Katya learn the heroine's story, then they decide what she needs. The next stage is the most exciting: the heroine is accompanied by the hosts to find new outfits. Besides, each of them cuts loose and charts own course about
