## About

Popular social reality-show "Rubliovo Biryulievo"! It is a big psychological experiment, which erase the boundaries between people from different social groups. Wonders will never cease! Wealthy women change magnificent mansions for the one-room apartment in a five-storey block, and inhabitants of "slums" move to palaces. Participants of the show are real people with true-life stories, where every step is traced by TV cameras 24 hours per day. Is that true, that the grass is greener on the other side? Whether heroines will cope with circumstances of their new lives? And could the show affect them further?

## About

The starting of a family and the birth of a child are the milestones in the life of virtually any woman. But unfortunately children often become merely a bargaining chip for property disputes between the parents, distribution of inheritance or other family problems. In that case a DNA test becomes the key factor to the solution. Each story is much bigger than just a court trial to establish who the father is. First and foremost, it is a story of personal relations where all of the people involved are related to each other. The trial will unfold unexpected facts directly affecting the judgment.
