About

The series include thrilling filmed stories about adultery. Each episode is a finished story with the set-up, the climax and the upshot. These are structurally vertical series, linked by the character of Observer – a sexologist named Andrey, a brilliant expert in the field of family psychology. Andrey's collection is huge. It has stories to everybody's taste: absurd, tragic and sometimes funny ones. The variety of these stories make the series multi genre: here you can find a detective story, a thriller, a melodrama with comic elements etc. In each episode, Andrey has a new client. The client starts telling his or her story and then actors reconstruct the situation in the style of docudrama. Andrey appears in the episode two more times to give some additional details; his appearance is the turning point in the story. At the end of the episode, the sexologist sums up and evaluates the situation. Andrey's conclusions always have some practical tips – how to identify adultery, how to
