About

In each episode, the presenters take to the streets of the city, preparing four draws. It is in them that the "jokers" will have to participate in turns. While the first one is playing people, the other three are watching what is happening on the playback and dictating different tasks "in the ear" of a colleague. At the end of the series, the one who will cope with fewer tasks loses. And he will be punished by the three victorious leaders.
