About

The host of the project, Elena Flying, sets out on the hunt for true Beauty. She will visit the main beauty capitals of the world, visit the most beautiful tribes and nationalities of the planet, communicate with the most beautiful people from all over the world in order to derive a universal formula for beauty. Each nation has its own canons of beauty. We will study and compare them all, and find out with what procedures people in different parts of the world maintain their attractiveness, what unusual cosmetics they use, what exercises they do, how they dress and how they behave in order to be considered the standards of beauty.

About

Healthcare show about how to lead a healthy lifestyle in a metropolitan city. The show's host, Yuri Krestinsky, the director of the Institute for the Development of Public Health, and his like-minded colleagues tackle the most important health issues. They conduct experiments, destroy myths, and test different preventive practices. In practice, the crew of the program proves that it is possible to avoid dangers of big cities, sustain modern pace of life, and lead a healthy lifestyle.
