About

The plot of the series is based on the adventure of Lex the fox and his friend, the raccoon Plu. They live on the outskirts of the Universe and do what they love - they work as space taxi drivers. Lex and Plu - romantics and inventors, they make all their trips in a taxi car, which they collected themselves. It does not let them down, like the rest of her teammates: Trisha the fox, Greg the blue-footed boobie and Crispy the mushroom. This is definitely not a team of super heroes, and they do not strive for glory, but by chance they can save a couple of planets along the way.
