Her father vehemently opposed it, but Elizaveta and Marat had an Islamic wedding. A few years past, they divorced, and Elizaveta returned to Orthodox Christianity. Psychologists believe, that if one of the spouses changes one's religion just for the sake of his or her better half, such marriage is not tightly-knit. Each nationality and religion has its traditions, which are handed at genetic level. Eventually spouses may intrude each other's habitual lives. However, there are some happy couples, who were able to avoid religious contradictions in their relationships. For example, Maria Arbatova is happy with her third husband Sumit Dutta Gupta, the Prin
