About

As a result of an unsuccessful time travel experiment, two families living 37 years apart find themselves neighbors inside the same apartment, half of which is in 1982 and the other in 2020. In the 82nd year, Professor Matvey Piotrovsky lives in this apartment with his nineteen-year-old grandson Pavel, and in 2020 - Sergey and Svetlana Uspekhov with their daughter Christina. The new neighborhood gives the heroes a lot of problems and inconveniences, since the layering of two times deprives each of the families of access to the second half of the apartment.

About

An experimental reality show about the reeducation of difficult teenagers. The heroes of the show will be twelve inveterate bullies and hooligans for whom the words "study" and "rules" have ceased to mean anything. The children will face tests in the best traditions of the Soviet school: now they will get up early, be on duty regularly and carry out the tasks of the teachers. Fans of de-ant images will have to say goodbye to piercings, colored hair and daring fashions, and they will have to forget about gadgets altogether. The project specialists will help to overcome the difficulties of the transitional age and decide on their future, and the one who shows the best results will have the opportunity to get into one of the best universities in the country.
