About

An experimental reality show about the reeducation of difficult teenagers. The heroes of the show will be twelve inveterate bullies and hooligans for whom the words "study" and "rules" have ceased to mean anything. The children will face tests in the best traditions of the Soviet school: now they will get up early, be on duty regularly and carry out the tasks of the teachers. Fans of de-ant images will have to say goodbye to piercings, colored hair and daring fashions, and they will have to forget about gadgets altogether. The project specialists will help to overcome the difficulties of the transitional age and decide on their future, and the one who shows the best results will have the opportunity to get into one of the best universities in the country.

About

For three years, Vlad Chizhov has been successfully helping people who have suffered at the hands of scammers. But Vlad is one, and there are too many scammers. Now a team of hunters will work with him. They will infiltrate the schemes of swindlers, bring them out into the open and hand them over to the police. Hunters are not superheroes. These are ordinary people, but they always prefer action to inaction, and their main weapon is a heightened sense of justice.
