## About

The plot of the series is based on the adventure of Lex the fox and his friend, the raccoon Plu. They live on the outskirts of the Universe and do what they love - they work as space taxi drivers. Lex and Plu - romantics and inventors, they make all their trips in a taxi car, which they collected themselves. It does not let them down, like the rest of her teammates: Trisha the fox, Greg the blue-footed boobie and Crispy the mushroom. This is definitely not a team of super heroes, and they do not strive for glory, but by chance they can save a couple of planets along the way.

## About

Children's cartoon series. Alice Selezneva is the icon for a few generations, who have grown up with the film "A Guest from the Future" based on Kir Bulychev's equally beloved sci-fi story. Besides, there was an immensely popular cartoon "The Secret of the Third Planet" in the Soviet times, where the main character was also Alice. Today children don't know this iconic character that well, but, fortunately, animators decided to improve the situation and made modern exciting cartoon series "Alice knows what to do!" This project is the sequel of the adventures of Alice Selezneva, a Moscow schoolgirl from the future. Alice is a twelve-year-old girl, the daughter of the outstanding professor, who would have been killed during the intergalactic scientific congress in Pluton, but for Alice and her friend Arik, the grandson of a Nobel prize winner. Alice's mother is an architect, a businesswoman, who constantly flies to other planets on business. Moreover, the Seleznevs have robot Polya, who does
